

THE ACADEMY OF NEONATOLOGY is proud to invite you to its much anticipated 2019 Neonatology conference

# NEONATOLOGY UPDATE

**12-14.11.19**

Physiotherapy Auditorium Shamir (Assaf Harofeh) Medical Center

Organizing Scientific Committee:  
**Dr. Bernard Barzilay & Prof. Willem-Pieter de Boode**

Faculty:

**International**

Prof. DeBoode (HOL)  
Prof. Thoresen (NOR)  
Prof. Flemmer (GER)  
Prof. Onland (HOL)

**Israel**

Prof. Shinwell  
Prof. Kugelman  
Prof. Riskin  
Prof. Waisman  
Dr. Shani  
Dr. Bromiker  
Dr. Barzilay  
Dr. H.Bassan

## DAY 1

12.11.19

08:30-09:00	Welcome & Greetings	
09:00-09:30	Blood Pressure- New Insights and is it the right bullet	B. Barzilay
09:30-10:00	Neonatal hypothermia, current practice and future direction	M. Thoresen
10:00-10:30	Coffee Break	
10:30-11:00	Update in non invasive ventilation	A. Kugelman
11:00-11:30	Neonatal heart failure	W.deBoode
11:30-12:15	Bronchopulmonary dysplasia: pathophysiology, definitions, and prevention	W. Onland
12:15-13:00	Lunch	
13:00-13:45	Neonatal seizures, occurrence, treatment, dilemmas and outcome	M.Thoresen
13:45-14:30	Non Invasive cardiac output monitoring in newborn infants	W.deBoode
14:30-15:00	Steroids and BPD: just the facts please	W. Onland
15:00-15:30	Closing & Adjourn	B.Barzilay

## DAY 2

13.11.19

08:30-09:00	Welcome to the 2 <sup>nd</sup> day	
09:00-09:45	Update on High Frequency ventilation	A. Flemmer
09:45-10:30	While waiting for a vaccine: opportunities for optimization of neonatal group B streptococcal (GBS) disease prevention	D. Waisman
10:30-10:45	Coffee Break	
10:45-11:15	Physiological approach to the management of PPHN	W.deBoode
11:15-11:45	Antenatal steroids and effects on development	E. Shinwell
11:45-12:30	Update on ESPGHAN guidelines	A. Riskin
12:30-13:15	Lunch	
13:15-13:45	Closed loop oxygen	A. Flemmer
13:45-14:30	Saturation targets: who can keep up with the evidence	W. Onland
14:30-15:15	Clinical follow-up and outcome predictors	M. Thoresen
15:15-15:30	Closing & adjourn	B. Barzilay

## DAY 3

14.11.19

### WORKSHOPS

08:30-16:00	VENTILATION - A. Flemmer, R. Bromiker, D. Waisman, B. Barzilay
	High Frequency with VG
	Non Invasive Ventilation
	Intubation – looks in a different way
	New modes of delivering Surfactant
08:30-16:00	aEEG - M. Thoresen, E. Shani, H. Bassan
	start-up guide for aEEG
	Normal tracing
	Abnormal tracing
	Cases

We look forward to having you with us in the ACADEMY OF NEONATOLOGY's 2019 conference
